VICTROLA

Children of eleven nationalities singing the Shoemaker Song, Seattle, Wash.

"Americanization through music" *A slogan of the hour*

Music is an universal language that needs no interpreter. It is the one common ground and most natural approach to the foreigner in welding him into the spirit of true Americanism.

A great movement is now sweeping the country to make firm and lasting the process of the melting pot,—to bring securely into the fold of American citizenry our adopted brothers from other lands. Have you thought of Community Singing with the

Victrola and Victor Records?

Song, universal in its appeal, is a deep and moving force. The Community Singing idea of war days must be perpetuated. It is productive of immeasurable good in this wholesome movement of Americanization. Nothing is more unifying and democratic than the group singing of old familiar and patriotic songs. Sing them with stirring band accompaniment,—strong, correct, inspiring!

Educators Everywhere Endorse the MIESSNER

L EADING school supervisors of the country enthusiastically declare that the MIESSNER solves an old, troublesome problem and brings music instruction up to the top notch of effectiveness.

The rate at which Miessner Pianos are being supplied to schools all over the country leaves not a trace of doubt as to whether or not the Miessner answers a long felt need. Already Miessner Pianos are being used in 48 states and they are acclaimed a great success wherever they are heard.

THE MIESSNER

"The Little Piano With The Big Tone"

I MAGINE a piano only 3 feet and 7 inches high, pouring forth a deep, mellow tone with all the brilliance of an expensive grand piano! That is what amazes you when you hear the Miessner.

"The Miessner is certainly a wonderful little piano and everybody is more than pleased with it. The children are delighted. It is worth its weight in gold."

SR. M. SERAPHINE,
Westphalia, Iowa.

"You certainly have made a contribution to the real needs of the public schools in building the Miessner Piano."

R. J. CUNNINGHAM,
Supt. Schools, Bozeman, Mont.

"An order for four more Miessner Pianos has been placed for our schools. I am very well pleased with the pianos and the children love them. There is something about the size that seems to have an added appeal to the child nature."

NELLIE L. GLOVER,
Akron, Ohio.

"It is interesting to see a musician sit down to the Miessner Piano and then open his eyes in surprise at the volume the little thing puts forth."

E. L. RICKERT,
Supt. Schools, Connersville, Ind.

The teacher can direct the music and easily see the pupils over the top while she plays the Miessner Piano. Two youngsters can move it with ease from room to room. In short, the Miessner Piano is "tailored" to fit school use.
